WORLD-RENOWNED INNOVATIVE ABOVEGROUND POOLS

water safety

Your above ground pool has been designed to provide you with years of safe, family fun. This entails that water safety must always be taken into account. When used incorrectly, your above ground swimming pool can be dangerous; above ground pools are shallow, and this makes diving and jumping unsafe. To ensure your above ground pool is used safely you must observe the safety precautions that are provided to you when you purchase an above ground pool and conform to all local regulations.

Style and appeal unveiled

Introducing a fresh new blend of elegant colors, quality design, and long-lasting solidity. Add Panache to your backyard and transform it into an everyday vacation.

New Light wall y.e.s.

Sleekly styled and chocolate themed in color, the Panache's wall will add style to its surroundings. It is protected by Resin Shield, a resin-based paint that provides an extra layer of resistance against corrosion.

Yard Extender System
Our oval pools come with the Yard Extender System, a series of practically invisible lateral supports that you place in the ground. A must for anyone who wants to make the most of their yard – and their pool!

endlessly innovative

Resin injection molding and good looks make the Panache a perfect balance between appearance and function. The revolutionary resin injection process eliminates corrosion risks and guarantees long-term dependability. A streamlined design means fewer parts and easier installation!

top ledge

- 8-inch injection-molded top ledge
- Incorporates multi-ribbed supports for optimum stability
- Features a sophisticated-looking metallic logo
- Two-color contrast provides fabulous style

assembly system

- Upper joiner plate screws to top ledge and upright using a simple top-down system
- Oversized upper joiner plate ensures greater stability for top ledge
- Upper joiner also acts as a ledge joint: fewer parts, easier installation and cleaner look
- Perfectly fitting and locking parts
- Upper plate in a complementary shade to top ledge for contrast and style

upright

- 6-inch injection-molded upright in an elegant contrasting color
- Three-dimensional injection molding means greater detail and solidity
- Stylish metallic ring at the top of the upright

bottom snap-in joiner plate

- Joiner plate attaches to uprights using a snap-in system, no hardware required
- Smooth, quick installation into upright
- Made of resin: solid and corrosion-proof

bottom rail

- Resin rails at both the top and bottom
- Smooth shape increases pool strength
